

## Transferring Your Portfolio From an Integrated System

Welcome to the Pearson ePortfolio system.

If your institution is using an integrated platform provider system (Chalk & Wire, Digication, Edthena, Folio180, FolioTek, Lessoncast, LiveText, PASS-PORT, TaskStream, Tk20, TORSH Talent, or Tumblefeed), follow the instructions in this guide to register for edTPA, transfer your portfolio, and submit it for scoring.

1. [Register and Indicate Your Portfolio Platform System](#)
2. [Transfer Your Assessment](#)
3. [Review Your Assessment](#)
4. [Submit Your Assessment](#)

**Note:** Candidates using an integrated edTPA platform provider system will be required to transfer their portfolio to the Pearson system (at [www.edTPA.com](http://www.edTPA.com)) in order to submit the portfolio for scoring. **Be sure to allow yourself adequate time before your planned submission date to upload and review your files in the Pearson system and to complete the submission process for scoring.**

# 1. Register and Indicate Your Portfolio Platform System

Register for edTPA at [www.edTPA.com](http://www.edTPA.com). Click Candidates in the top navigation menu, then click Register. Follow the instructions to create an account (for first-time users) and to register for edTPA.

The screenshot shows the edTPA website interface. At the top, there is a navigation bar with the edTPA logo on the left and links for 'View Cart', 'My Account', and 'Contact Us' on the right. Below the logo is a search bar with the text 'Find answers to FAQs.' and a 'Find Info' button. The main navigation menu includes 'Home', 'About', 'Candidates', 'Faculty', and 'FAQs'. The 'Candidates' section is expanded, showing a list of options: 'Getting Started', 'State Requirements', 'Candidate Policies', 'Prepare', 'Requesting Alternative Arrangements', 'Register', 'Your Authorization Key', and 'Scores'. A red arrow points to the 'Register' option. A sidebar on the right also lists these options under the 'Candidates' heading. A 'Already registered?' box is visible in the center, containing links for 'Manage your portfolio' and 'Get your authorization key'.

On the last screen of the registration process, click Next to proceed to indicate your platform system.

The screenshot shows a confirmation screen with the text: 'Thank you for your order. Your order details are listed below and have also been added to your account.' Below this is a section titled 'Choose a Portfolio Platform System' with a sub-instruction: 'Please indicate whether you will be building your portfolio on this site, or if you will be using an integrated platform provider system (Chalk & Wire, Data180, Foliotek, iWebfolio, LiveText, PASS-PORT, TaskStream, or Tk20).' At the bottom of this section is a prominent red 'Next' button.

You are now in the Pearson ePortfolio system. Click the edTPA Platform Provider button on the assessment tab.

**Secondary Mathematics**

Please indicate whether you will be building your portfolio on this website (in the Pearson ePortfolio system) or if you will be using an integrated edTPA Platform Provider system (Chalk & Wire, Folio180, FolioTek, iWebFolio, LiveText, Pass-Port, TaskStream, or Tk20).

## Your Authorization Key

After clicking the edTPA Platform Provider button, you are provided with an Authorization Key to facilitate your portfolio transfer. You will need to enter this key in your platform provider system when you are ready to transfer your portfolio to Pearson.

You will be prompted to review and agree to the terms associated with your Authorization Key. The key will then be emailed to the address you provided during registration. You will also be able to obtain your Authorization Key at any time by logging into your account at [www.edTPA.com](http://www.edTPA.com).

## 2. Transfer Your Assessment

When your assessment is complete, transfer it to the Pearson ePortfolio system in order to submit it for official scoring. Start the portfolio transfer from the platform provider system used by your institution.

Enter your Authorization Key in the platform provider system when prompted.

**Can't find your Authorization Key?** Refer to the email you received after registering and selecting your portfolio platform system, or sign in to your account on [www.edTPA.com](http://www.edTPA.com) to obtain your Authorization Key.

When the transfer has processed successfully, an email notification will be sent to the email address you provided when you registered for edTPA.

When you receive this notification, sign in to the Pearson ePortfolio system at [www.edTPA.com](http://www.edTPA.com). Your transferred files are now available for you to review.

The screenshot displays the Pearson ePortfolio interface for a Secondary Mathematics assessment. At the top, there are navigation buttons: 'Request Task Feedback', 'Request Portfolio Feedback', and 'Message Center'. A notification indicates 'You have 0 unread messages'. A 'Submit Portfolio for Scoring' button is visible with a sub-link 'When should I submit?'. The main content area is titled 'Portfolio Summary' and includes a link to 'Switch to edTPA platform provider'. It shows '0 of 3 Tasks Ready to Submit'. Two tasks are listed:

- Task 1: Planning for Instruction and Assessment** (0 of 5 Parts Ready to Submit)

On the left side, there are instructions and resources for the assessment, including links to the handbook, candidate support resources, and upload instructions.

If necessary, you can re-transfer your portfolio at any time using the same Authorization Key (listed at the top of your Portfolio Summary page for your reference).

### 3. Review Your Assessment

Prior to submitting your assessment for scoring, you are required to review your files in the Pearson ePortfolio system and verify that your files were transferred successfully. If the platform provider system did not prompt you to select labels for some files, you will be asked to make those selections now.

To review and label your files click the Update button for each Part on the Portfolio Summary page.

**Note:** If you discover a problem with one of your files or with file labels added in the platform provider system, you will need to correct the problem in the platform provider system and re-transfer your portfolio to the Pearson system. You may need your Authorization Key to re-transfer. It is listed at the top of the Portfolio Summary page for your reference.

## 4. Submit Your Assessment

### Readiness Checklist

Before submitting your assessment, make sure your portfolio is complete and ready for scoring. Have you:

- Transferred your assessment to the Pearson ePortfolio system?
- Stored a copy of your work in a secure local location?
- Reviewed all of your files in the Pearson ePortfolio system?
- Marked all Parts as Ready to Submit?

Your Portfolio Summary page should look like the following example. Note that the Portfolio Summary progress bar indicates that each Part for the entire assessment has been marked Ready to Submit. If any Task has Parts that are not marked Ready to Submit, then the Submit Portfolio for Scoring button will be disabled.
